

Bicycle Safety: Magic Math

Fill in the correct word into each blank.

1. A _____ keeps your head safe while riding a bicycle.
2. When riding your bicycle, keep both _____ on the handle bars.
3. Use your hand _____ when turning left, right or stopping your bicycle.
4. Always read and obey all traffic _____ and traffic lights.
5. Stop and make _____ contact with the driver when approaching a driveway or a car in motion.
6. A bike is a _____.
7. Your bicycle should have a red _____ on the rear.
8. Your shoes are _____ when riding your bicycle.
9. Always look left, then right, then _____ again when we want to cross a street or driveway.

Solve the magic puzzle. Write the number of the sentence by the correct word answer. Check your work by adding the numbers in each row and column. Each sum should be the same number!
